

# Frieda's Cottage

Help Us Preserve the Past To Enrich the Future

Peerless Rockville plans to restore Frieda's Cottage to the period when Dr. Frieda Fromm-Reichmann resided and practiced psychiatry at Chestnut Lodge (1936-1957). Once the cottage is restored, Peerless will lease it as a residence and use it to interpret the history of the sanitarium and the pivotal role played by Dr. Fromm-Reichmann.
